TRUE PART FABRICATION LLC
MODESTO, CALIFORNIA

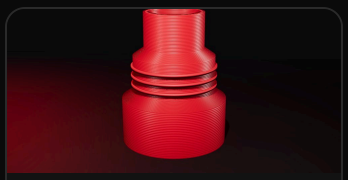

OPENING JAN 1, 2027

BROKEN. BACKORDERED. *Discontinued?* WE MAKE IT.

Custom and replacement plastic parts for the businesses that keep the Central Valley running. **No molds. No minimums. No waiting on a backorder.**

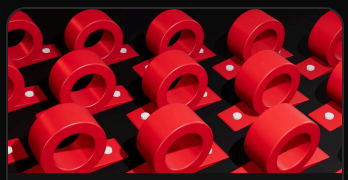

WHAT WE MAKE

REPLACEMENT PARTS
Discontinued or hard-to-find parts, measured and remade.

JIGS & FIXTURES
Guides, holders and mounts built to your drawing or sample.

SMALL BATCHES
10 to 500 brackets, clips or covers, no mold needed.

ENCLOSURES
Housings and covers for controls and sensors.

Food processing · non-food-contact · Agriculture · Warehouse & cold storage · Industrial shops · Dust collection

01
Send a photo or the part
With a ruler in the shot and the machine's model number.

02
Get a written quote
Material, price and turnaround, before any work starts.

03
We make it and test the fit
Then we ship it, or you pick it up in Modesto.

IF IT DOESN'T FIT, *we reprint it free.*

On-site measuring
For parts that can't come off the machine.

Reorder in one message
Your part's model stays on file.

Ships nationwide
Local pickup in Modesto is free.
